Ovo je priča o odnosima koji pritiskaju, o ženskom prijateljstvu koje nas štiti, o muškarcima na koje se ne zaboravlja, iako toga nisu uvijek vrijedni. Priča je prepletena sarkazmom, humorom, ljutnjom, beznađem, strašću, smijehom, suzama, muškim egom i ženskim samopouzdanjem. Priča je tako stvarna, da ćete u njoj pronaći sami sebe.

Three best friends - Linda, Vanda and Edo - get all tangled by four attractive men. It's about female friendship, men that can't be forgotten, although usually not worth it. It's about sarcasm, humour, anger, desperation, passion, laughter, tears, male ego and female self-confidence.
